INDUCTION BRIEF

Volunteer Information 2020 Gumeracha Medieval Fair 2nd and 3rd May TO BE KEPT BY EACH VOLUNTEER (2 pages)

As a Volunteer you have the right:

- To work in a safe and healthy environment in accordance with the OHS&W Act;
- To be treated fairly and shown respect;
- To be provided adequate training;
- To be provided with safe systems of work;
- To be provided with adequate supervision and support;
- To be provided with an induction and orientation process; and
- To be provided with access to a grievance process.

In conjunction with your rights, you have a responsibility to:

- Follow instructions from your Supervisor;
- Be aware and abide by the GMF policies and procedures;
- Agree to work in a safe and healthy manner – as not to jeopardise the health & safety of other volunteers or members of the public;
- Notify the GMF of any pre-existing medical conditions that may be aggravated or of any special needs that may need accommodating;
- Report injuries or near-misses and assist your Supervisor in completing the appropriate reports; and
- Have respect for the local environment and surroundings.

Occupational Health and Safety

The GMF is committed to providing a safe and healthy environment for all volunteers, as well as to all members of the public. That commitment is reflected in the GMF.'s Health and Safety Policy.

Manual Handling

Incorrect Manual Handling results in many occupational injuries within Australia.

Please take care in any activity which involves manual handling and be aware of the dangers.

Manual Handling could broadly be defined by actions of;

- Lifting, Lowering, Pushing, Moving, Holding, Pulling, Carrying or Restraining

Manual Handling is more than simply carrying any object; it can include a wide range of activities that could prove a risk to your health and wellbeing. Note: injury is not always caused by the "size of the load" but may be due to the "method" which was used to lift or move that load.

Assess the risk of any task involving manual handling. Consider your own stature and strength and that of others who may be assisting you. Seek advice from your Supervisor if you have concerns.

Incident Reporting

All Accidents, Incidents, Injuries or Near-Misses MUST be reported to your Supervisor immediately.

If you were to sustain an Injury or Near-Miss you will be required to assist with the completion of an Incident Report Form. It is important to report everything, no matter how small, so we can make changes or improvements, to minimise the risk of something similar recurring.

Lost / Found Children

If you become aware of a Lost Child, the Supervisor at the Information Tent must be notified immediately.

If you find a Lost Child, then please escort them to the Baby Change Rooms located near the toilets in the park. The Management Committee of the GMF supports the Child Safe Environment Policy and asks that Volunteers report **ANY adverse behaviour towards a child or children**, to the Supervisor at the Information Tent.

Responsible Behaviour

As a volunteer for the GMF, certain conducts of behaviour are expected to be adhered to whilst undertaking volunteer duties:

- No volunteer should be **under the influence of alcohol or drugs** while volunteering;
- Volunteers must **behave in a responsible and reliable manner**;
- Volunteers are acting as representatives of the GMF and should **adhere to high standards of honesty and integrity and** where appropriate **confidentiality**;
- Volunteers should **not make any public comments or statements to the media** that would lead anyone to believe, that they are the views of the GMF; all media contact should be directed to the Event Coordinator.

Grievances

A grievance relating to your voluntary work environment may take the form of a complaint, a concern or a problem. It may be something that you consider to be unfair, discriminating or harassing.

If it is feasible, discuss your grievance with the concerned party.

However, if you feel uncomfortable doing that, then please talk to your Supervisor.

Depending on the situation there is likely to be various solutions, nonetheless you should feel happy and safe whilst volunteering at the GMF, so a situation that affects your wellbeing should be discussed with your Supervisor.

Your Supervisor will ensure that a record is kept of the grievance, for future reference.

All grievances will be managed confidentially and within a timely manner.

First Aid

A St. John First Aid Post will be located near the toilets in the Park.

The Medieval Re-enactment Groups have their own designated First Aid Officers with First Aid Kits.

IN THE EVENT OF AN EMERGENCY

If you see any situation that may result in an emergency, report it to your Supervisor or a member of the Security Team immediately.

Fire

Fire Extinguishers are located in the Site Management Tent in the park, the Tavern, with all major Food Merchants, in the Volunteer's Centre and in the Gumeracha Town Hall Complex.

Evacuation

Evacuation Maps are on display in the Information Tent, at the Volunteer's Centre and at each Walk-in Entry Point.

If the circumstance so dictates, the Site Manager may authorise a partial or full evacuation from the Fair Site. If an evacuation is called, volunteers would be expected to assist the Security Personnel and Supervisors (should it be safe to do so!) and direct all persons to safer areas beyond the immediate vicinity of the Fair Site.

Many thanks from the Management Committee.

Michel Gray,
Event Co-ordinator.

P.O. Box 36, Gumeracha, SA, 5233 or michelclaire1950@gmail.com

Notes:

Remember - If all else fails and you need help, the **Information Tent** is the place to go!
